

## Switch to Green Power and turn on 5,000 EXTRA Frequent Flyer points!\*

Now you can care for the environment and earn Frequent Flyer points! Switch to EnergyAustralia's Qantas Frequent Flyer Green Saver offer and you'll enjoy 5,000 EXTRA points and immediately start earning one point for every dollar you spend on energy after that. It's as simple as that!

### If you switch both gas and electricity:

- Earn 5,000 points when you transfer to EnergyAustralia
- PLUS every dollar you spend on energy = one Frequent Flyer point
- PLUS 2,000 points Annual Bonus as a reward for paying all your bills on time

### If you switch electricity only:

- Earn 2,500 points when you transfer to EnergyAustralia
- PLUS every dollar you spend on energy = one Frequent Flyer point
- PLUS 1,000 points Annual Bonus as a reward for paying all your bills on time

### No termination fees - so switch today!

In addition there is no fixed term contract and no termination fees so you can change whenever you want without any penalties. You'll also be doing your bit for the environment, as EnergyAustralia's Qantas Frequent Flyer Green Saver offer is generated from 100% renewable energy sources and is accredited by the National Green Power Accreditation Program (12.5% Green Power – accredited renewable energy). And you won't be charged more for Green Power than the standard regulated electricity rates.

So call EnergyAustralia on 1300 733 569 between 8am and 8pm EST Monday to Friday, and start earning points while you care for the environment.

### \*Important Information

Qantas has arranged for this letter to be sent to you as a Qantas Frequent Flyer member. Your details have not been disclosed to EnergyAustralia. You may opt out of receiving further EnergyAustralia mailings from Qantas by emailing frequent\_flyer@qantas.com.au, writing to Qantas Frequent Flyer GPO Box 4357 Melbourne VIC 3001 or calling 13 11 31.

You must be a member of the Qantas Frequent Flyer program to earn Qantas Frequent Flyer points. Membership of the Qantas Frequent Flyer program is subject to the Terms and Conditions of the Qantas Frequent Flyer program. A joining fee applies.

It may take up to four months for the first allocation of points you earn under this offer to be applied to your Qantas Frequent Flyer statement.

Points will be allocated as follows:

- Electricity. 2,500 points following commencement of supply under the contract and an additional 1,000 points at each anniversary of the commencement of supply if you pay all your bills on time.
- Gas. 2,500 points following commencement of supply under the contract and an additional 1,000 points at each anniversary of the commencement of supply if you pay all your bills on time.

### SWITCH BOTH GAS AND ELECTRICITY FOR:

- ✓ 5,000 Frequent Flyer points when you transfer to EnergyAustralia
- ✓ PLUS every dollar you spend on energy = one Frequent Flyer point
- ✓ PLUS 2,000 extra points Annual Bonus as a reward for paying all your bills by the due date
- ✓ Accredited Green Power that won't cost you any extra than standard regulated rates

IT'S EASY TO START EARNING  
☎ 1300 733 569

- Ongoing points will be allocated only on the energy usage component (including GST) of your EnergyAustralia bills for the contracted residential address.

The electricity and gas rates applicable to this offer are the same as the regulated electricity and gas rates for your meter type in your local area.

EnergyAustralia's other offer eligibility criteria and Market Contract Conditions apply. This offer is not available in conjunction with any other EnergyAustralia offer.

Existing EnergyAustralia Market Contract customers are not eligible to take up this offer. Offer only applies to residential customers who reside within areas of South Australia and Victoria that EnergyAustralia is able to supply. EnergyAustralia can only supply gas to premises with natural gas already connected.

Offer now extended to 31 August 2006.

You are not obliged to enter into a Market Contract with EnergyAustralia or any other retailer.

EnergyAustralia ABN 67 269 241 237, is a partnership comprising Energy Australia Pty Limited ACN 070 374 293 and IPower Pty Limited ACN 111 267 228.
