Please indicate your acceptance by signing below.

Please note: If the premises are leased, please include a letter of permission from the owner/landlord with your application.

I authorise EnergyAustralia to arrange for the metering service provider to reconfigure or exchange the meter at the address provided in this application, on the date the request is accepted or as soon as can be arranged. I understand that the alteration work is subject to weather conditions and clear and safe access to the site, including the switchboard (the site must be clean, free from safety hazards and debris and have clear address numbering) and the meter board must not be defective or otherwise unsafe. I understand that charges may apply to the alteration (including if I am unable to provide clear and safe access) and they can vary depending on the works required. I agree to accept any charges associated with the alteration and understand these charges will appear on my electricity bill. I understand that if the technician determines additional works are needed they will not commence the job and EnergyAustralia will contact me to discuss any additional charges and/or work required.

I authorise EnergyAustralia to contact me to set me up on a solar plan.
