

**Important
reminder about
life support
equipment at
your premises.**

EnergyAustralia
LIGHT THE WAY

Does anyone at your business premises linked to your energy account with us rely on any of the below equipment?

- Oxygen concentrator
- Intermittent peritoneal dialysis machine
- Kidney dialysis machine
- Chronic positive airways pressure respirator
- Crigler Najjar syndrome phototherapy equipment
- Ventilator for life support
- Any other equipment that a registered medical practitioner certifies is needed for life support or a medical condition which requires continued supply of gas or electricity.

You must let us know.

What if someone at your business premises depends on life support equipment?

If anyone at your business premises does depend on life support equipment, call us on **1300 362 466** and dial option 2 (Monday to Friday, 8.00am to 5.00pm) to let us know and we'll advise you on the next steps.
