

TRUenergy Mid North Wind Farms Community Liaison Group (CLG)

As the new owners of the Waterloo wind farm and the proposed Stony Gap wind energy development near Burra, we're keen to listen to what the community have to say.

To help us develop a positive working relationship with the Mid North community, we are establishing a Community Liaison Group. The TRUenergy Mid North Wind Farms Community Liaison Group will enable us to exchange information and ideas and help us obtain a greater understanding of local needs, priorities and expectations.

If you would like to nominate to take part in the TRUenergy Mid North Wind Farms Community Liaison Group please complete this form and return to Georgina House, Aurecon, by **Friday 4 November 2011**.

Membership of the Community Liaison Group will be open to all members of the community who have a clear interest in or connection to TRUenergy's Waterloo and Stony Gap wind energy projects. Community groups, organisations or stakeholder groups with more than one person interested in attending are encouraged to nominate a representative.

☐ I wish to nominate for the TRUenergy Mid North Wind Farm Community Liaison Group (please tick).

Your details:

Name
 Address
 Email
 Phone
